## BACKGROUND

I am 18 years old from Revelstoke, British Columbia. I have had the opportunity to race Motocross in both Canada and the USA. I raced in the professional class in 2025 and raced all eight Canadian Pro 250 MX rounds, finishing 13<sup>th</sup> overall and earning Pro National number 32. I attended the Canadian Amateur Grand Nationals placing 10<sup>th</sup> overall in the Pro-Am class racing against the best riders in the country. I was the winner of the prestigious Yamaha Canada Factory Ride Award in 2024. I have been a multi class champion in both the BC Motocross series and the Canadian Arenacross series. When I am not on the track, I am involved in road biking, mountain biking, skiing and snow-biking. I graduated from Revelstoke Secondary School in 2025 and I currently work full time as an apprentice carpenter to help pay for motocross racing. I am respectful, well rounded, coachable and hardworking. I believe that I am a great ambassador for my sponsors, on and off the track. I am seeking your support for the 2026 race season. I would appreciate the opportunity to represent your company and promote your products through my social media, on-site presence at events, and other promotional opportunities.
